

## PERLEY RIDEAU VETS' VISIT

**Saturday, September 14, 2019**

**FROM 2 – 4 PM**

**Light refreshments served**

**Entertainment by Gord Atkinson and friends**

**Each year the branch holds a visit by selected veterans from the Perley Eideau Veterans Health Care Centre. The bus, shown above, was purchased by our zone specifically for visits like this. Details are above. Members are needed to help entertain and host these veterans while they are here. No special dress is required but some hosts wear support our troops or other similar attire. This is a very enjoyable experience for all. Please help! No need to advise that you are attending.**
